About The Cradle

Since 1923, The Cradle has been building and strengthening families touched by adoption. The Foundation's mission reflects the lifelong support that The Cradle provides to all members of each adoption circle.

19th Annual Cradle Classic Golf Tournament – Monday, June 10th 2019 at 10am-7:30pm

This year, The Cradle will host its 19th Annual Golf Tournament at Lake Shore Country Club in Glencoe, Illinois. Your support of this event will directly impact the lives of individuals, children and families that turn to The Cradle for support. In 2018, this event raised over \$100,000 to help fund:

- o Over 100 hours of free options counseling for women facing unplanned pregnancies
- o 1 crib in the nursery dedicated to the care of newborns with special needs
- o The development of a new Our Children Roundtable Program and webinar to address difficult societal topics and reach more than 500 households
- o 4 Cradle Connections events for Cradle families and alumni to come together and celebrate adoption, events included: Open House, Family Picnic, Holiday Party, and an Alumni Luncheon with a combined total of over 1,000 participants
- o The delivery of professional continuing education in adoption competency topics to over 400 medical professionals across Illinois and Indiana
- o The development of new curriculum for individuals and couples considering the journey to becoming adoptive parents
- o Updates to the Play Therapy Room utilized by children under the age of 8, and so much more!

About Lake Shore Country Club

This historical icon nestled in the Glencoe community is one of the most challenging courses with world-class greens care and guest service. The Cradle Classic Golf Tournament is one of very few outings that will be hosted at the course in 2019.

Architect, Howard Van Doren Shaw, won the nationwide architectural competition to design and build the clubhouse that overlooks Lake Michigan. Lake Shore Country Club's 18-hole golf course is separated from the Clubhouse by Sheridan Road. The course is noted for its difficult and lengthy par 4's and has a series of ravines that need to be negotiated on several holes. The facility includes a driving range, putting greens, and a separate chipping practice area.
